Statistical databases

[In Swedish](#)

The National Board of Health and Welfare publishes statistics in the areas of health and medical care and social services. Here you will find those of our statistical databases that are available in English.

You can make your own tables, diagrams and maps. Statistics are presented by year, gender, age and geographical area. You will find instructions in the program. The statistical database is intended primarily for researchers and statisticians.

Areas of statistics

- [Abortion](#)
- [AMI \(acute myocardial infarctions\)](#)
- [Cancer](#)
- [Cause of death](#)
- [Health care practitioners](#)
- [Diagnoses in in-patient and specialised open care](#)
- [Pharmaceuticals](#)

Contact the statistical database

If you have questions about the statistical database, you can contact us at statistikdatabas@socialstyrelsen.se.
