## Moving to Sweden

In most circumstances, you should be listed in the Swedish Population Register if you have moved to Sweden and plan to live here for one year or more. You must therefore notify the Swedish Tax Agency of your move and book an appointment for an identity check at a service office.

When you are first listed in the Swedish Population Register, we assign you a Swedish personal identity number. Details such as your name, address, date of birth and civil status are recorded in this register. You should not be listed in the Swedish Population Register if you plan to stay here for less than one year.

- [If you plan to stay in Sweden for less than one year](#)

## Notify us of your move to Sweden

Use our Moving to Sweden ("Flytta till Sverige") e-service, which makes it quick and easy to complete your notification. This e-service is available in English, Arabic and Swedish. You can also ask for help with using the e-service at a service office.

## Använd vår e-tjänst

## Book an appointment for an identity check

You and your family members who are moving with you must visit a Swedish state service office in person for an identity check when you have arrived in Sweden.

You have to book an appointment for an identity check at selected service offices. You can also submit your notification if you did not submit it directly in the e-service.
