[Sweden Joins the Sustainable Critical Minerals Alliance, Committing to the Sustainable Development and Sourcing of Critical Minerals](#)

Critical minerals are essential to meet our climate goals and transition to a prosperous net-zero economy. As countries around the world work to secure access to these critical mineral resources, it is equally important that the path to reducing greenhouse gas emissions to net zero is built with a human rights-based approach and a commitment to sustainability.

[Fourteenth sanctions package against Russia adopted](#)

The EU has adopted its fourteenth sanctions package against Russia in response to Russia's war of aggression against Ukraine. The sanctions aim to further limit the Russian state's revenues and Russia's capacity to wage war, and they are an important part of the EU's support for Ukraine. The new package includes stricter measures targeting the shadow fleet and imports of Russian liquefied natural gas (LNG).
